European leaders need to demonstrate a more serious commitment to defense sovereignty, and American leaders need to recognize that while U.S. and European security interests overlap, they are no ...

Macron is Right: Europe Needs Its Own Collective Defense ...

Collective action in external policy has long been a central challenge for EU integration. Development policy's status as a ‘shared competence’ with subsidiary division of labour between EU-level and member state actors reflects this.

European Union Development Policy: Collective Action in ...

Collective action amongst professional interests displays greater difficulties than for any other interest domain we analyse in this collection. Indeed, perhaps an alternative starting point to observing the weakness of interest representation for the professions at the European level is to register surprise that European-level groups in this domain number more than a handful.
