All living things are made of cells. In the human body, these highly efficient units are protected by layer upon layer of defense against icky invaders like the cold virus.

Shannon Stiles takes a journey into the cell, introducing the microscopic arsenal of weapons and warriors that play a role in the battle for your health.

## Correcting The Blueprint Of Life

Peter confirmed this truth. Referring to husbands and wives, he stated that they should be “heirs together of the grace of life” (1 Peter 3:7)—not individually, but jointly walking the path as inheritors of eternal life. That is the doctrine taught in the blueprint, and that is the doctrine taught in Christ’s Church today.

## Correcting The Blueprint Of Life

Remember to look around sometimes. You might see something you haven't seen before or at the very least avoid being hit by a flying object.

Speaking of flying objects, don't spend your life looking for extraterrestrial life, unless you work for NASA. Remember that you always have to cooperate with someone. Life is an endless negotiation.
