### Amazon.com: Moral Mazes: The World of Corporate Managers ...

Moral Mazes: The World of Corporate Managers is a 1988 book by sociologist Robert Jackall that investigates the world of corporate managers in the United States. In the introduction, Jackall writes that he "went into these organizations to study how bureaucracy—the prevailing organizational form of our society—shapes moral consciousness" and that the book is "an interpretive sociological account of how managers think the world works." It was named the "Most Outstanding Business and ...

### Moral Mazes : The World of Corporate Managers by Robert ...

Moral issues are translated into practical concerns and into issues of public relations. Sooner or later, managrs ask themselves: How does one act in such a world and maintain a sense of personal integrity? Moral Mazes is a brilliant, sometimes disturbing, often wildly funny study of corporate thinking, decision-making, and morality. It is an analytical work of great importance, one filled with compelling real life stories of the men and women charged with running the business of America.

While developing World of Mazes RiseAngle ensured to keep their ideal of a morally upstanding game in plain sight—creating an entire in-game universe around this central principle. The most eminent embodiment of this philosophy is the fact that there is no violence, whatsoever, instead making the point-and-click puzzle solving more akin to classics like Machinarium or Monkey Island games.
