I have a Roku 2 that is new to me. It has been unlinked from the previous account and I'm trying to set it up. The problem is I don't have a remote control for it and figured I would just use my Android phone. However, even the Roku 2 XS being hooked into the router RJ45, it finds the unit, but says it is not linked to my account.

Roku 2 XS (no remote, need cheapest setup) - Roku Forums
Roku 2 is a third generation streaming player from Roku originally released in 2015. It allows you to stream HD movies and shows directly to your TV from some of the most popular channels, like Netflix. All you need to do is connect it to power, plug it in to the HDMI® port on your TV, and connect to the internet.
